Welcome to CSB/SJU

Welcome to the College of Saint Benedict and Saint John's University. We look forward to having you join our college community, and anticipate great things from you and your classmates.

The transition to college will be a big step in your life, but first there are many smaller steps you need to take to prepare for CSB/SJU. We realize that you have some busy months ahead, and hope that this publication can assist you in your plans for college.

While you will be receiving some information and forms through the U.S. Mail, most required forms are accessible through the forms portal in the Accepted and Enrolled Page.

Summer Orientation?

Like most colleges that enroll a sizeable population of students from across the nation and around the world, CSB/SJU reserve all orientation activities for fall orientation. In the meantime, join the CSB/SJU Class of 2020 Facebook Group and meet your classmates.

Admitted Student Page

The Accepted and Enrolled Page contains important information and useful resources for your transition to CSB/SJU. Most required forms will be accessible via the Accepted and Enrolled Page before February 1 – although some forms are not available until a later date. Enrolled students will have full access to the forms portal approximately one week after CSB/SJU receive the enrollment deposit.

The Accepted and Enrolled Page is accessed at:
